## **“Ta-Ha-Zouka Clubhouse spruced up for the summer”**

The park clubhouses and cabins the City of Norfolk rents out to users are filling up quickly. This summer, visitors to the Ta-Ha-Zouka Park will notice some upgrades to the Clubhouse. New windows were installed and new concrete was poured surrounding the building and in the large patio at the back of the clubhouse. Plywood was replaced by log siding at the front of the building and the ceiling was repainted. The Clubhouse was built in 1936 as a Works Progress Administration project.
